Dear Signs of HOPE Team,

It is my great honor to extend this letter of support and heartfelt congratulations to Signs of HOPE on your 13th annual event. This milestone reflects not only the strength of your mission but also the enduring trust and gratitude of the community you serve.

Founded in 1974 by two courageous Las Vegas women, Florence McClure and Sandra Petta, Signs of HOPE began as a grassroots effort launched from McClure's home—born from their outrage at the lack of resources, compassion, and respect available to survivors of sexual assault. Their determination created a lifeline for victims who had previously been left without support, dignity, or a voice.

For more than 50 years, Signs of HOPE has continued that legacy, providing help, hope, and healing to individuals affected by sexual violence and exploitation throughout Southern Nevada. Your organization has been a pillar of advocacy, crisis response, prevention education, and compassionate care—transforming countless lives and strengthening the fabric of our community.

Your 13th annual event is not only a celebration of your achievements but also a powerful reminder of the ongoing need for your critical services. I commend your team, volunteers, supporters, and leadership for your unwavering dedication, resilience, and compassion.

Thank you for all you do to ensure survivors are heard, believed, supported, and empowered. I am proud to stand with Signs of HOPE and look forward to witnessing your continued impact for many years to come.

With deep respect and full support,

Sincerely,
